CMWA Outreach Program

John Caye's Fall 2005 Student Outreach Program was a great success. Fourteen students once again created wall clocks. The Student each received a CMWA engraved hammer at the end of the program.

Our Thanks to you John for donating your time and talent in helping these kids experience the joy of woodworking. Thank you Lynn Kull for laser engraving the hammer handles with our club logo.

John Caye has handed the Chairmanship for the Spring 2006 Outreach program to club member John Kirchoff. Please consider contributing a few hours of your time to help mentor the next group of students. John will be calling upon you soon to please consider donating a total of six hours of your time to this four evening program. It's a small price to pay for what you'll get out of helping a child.
