Greetings from Charlie Meyer

As I write this letter, I have some great memories of our club activities of this short summer, the Art Crawls, Lemonade concert and the summer picnic. All were very enjoyable events.

Our August Art Crawl was an especially noteworthy day. Brad Knowles, arranged to have Ed Neu, a woodworker from Buffalo, attend and display three Shaker rocking chairs that he crafted. They were indeed beautiful works of art and craftsmanship. Ed shared some of his experience with us and may be interested in presenting at a future club meeting.

We also displayed our completed Shaker tables. They look great! Thanks again to Don Wade and all the volunteers who made this project a success.

Our August meeting was at Denny Myers shop. The activity was tuning up hollow mortise chisels and setting up the mortising machine. Although our presentation had some hiccups, the participation from the members made it a great learning experience. It was great to have Denny's shop for the meeting. Thank you Denny.

Our September meeting will be back at our home, the Paramount Theater, September 17th, 7:pm. "Dust collection systems for the small shop" will be the topic of our presentation, John from SRC will do the presentation.

"WANTED" members who are willing to serve! We have many openings to fill on our board. We need to have these positions filled before our December meeting.

Hope to see you all at the meeting! At the Paramount Theater, September 17th, 7:00pm.

Bring a friend and an item for show and tell!
