April 2015

The CMWA is a group of men and women from around the St. Cloud, Minnesota area who share a common interest in the art and business of woodworking. We meet monthly and share information, techniques and topics of interest in the area of woodworking.

Greetings from Charlie!

I will start with a thank you for those members who covered for me in my absence. Now I need to do some "catching up".

Wood Expo plans are set. This event is a great opportunity for woodworkers of all types and skills to check out all that is available in terms of products, tools, materials and educational items.

Our group, "the CMWA", will be using this opportunity to promote our membership, and raise funds.

Thank-you to our member volunteers who are helping to make the Wood Expo a success. I invite all members to attend, and bring a friend.

The Wood Expo will be Saturday, April 18th, 10:00 am to 3:00 pm, at the Sports Arena East, on the Benton county fairgrounds.

Our activity for the April meeting will be on the "Art of Intarsia". Bill Sampson will present the technique of producing this art in wood. Bill has demonstrated great scroll saw skills and is willing to share his talent with our members. Thank you Bill!

Our April meeting is Wednesday April 15th 7:00 pm at the Paramount, lower level.

See you there!

Bring an item for show and tell, and bring a guest!

Charlie
