June 2015

The CMWA is a group of men and women from around the St. Cloud, Minnesota area who share a common interest in the art and business of woodworking. We meet monthly and share information, techniques and topics of interest in the area of woodworking.

Greetings from Charlie!

As we move into summer our club focus turns to Art Crawls, Lemonade concerts and our picnic. It is also time for our board to start planning our meeting activities for 2016. Our Woodworkers group is also leading the 2016 Wood Expo.

Denny Myers has volunteered to take charge of the 2016 Wood Expo. Thank you Denny! It seems early, however, our first planning meeting will be on June 15th, 6:30 pm at the crossroads food court. We welcome any ideas to improve the Expo and our CMWA booth.

Our next Art Crawl is Friday, June 12th 5:00 to 9:00 pm at the Paramount. Shawn, John and Devin have been busy folks and have assembled four "Little Libraries" and will be showing and selling them at the Art Crawl. Thank you for your good work! Any members who would like to help at Art Crawls are welcome.

Shawn will be doing a presentation of the libraries at our June meeting.

Our board will have a planning session on June 24th. The purpose of this meeting is to plan our meeting activities for 2016. Your input is important! If you have any suggestions regarding topics or presenters please let us know, you may notify me by email, charlie6@charter.net.

Rollie Johnson is always working on or testing some exciting new product or tool. At our June meeting he will tell us about quick change router chucks.

Our next meeting, June 17th, 7:00 pm in the lower level, at the Paramount.

Bring an item for show and tell and bring a friend!

See you at the meeting!

Charlie
