## Greetings Woodworkers

The weekend of March 4, 5 & 6 several of us attended The Woodworking Show in St. Paul. We had a booth at which we promoted the Wood Expo. Also had a chance to take part in some seminars at the show and spend some mad money on tools. It was a good show.

Coming up we have the first Art Crawl for 2016 on March 18th. This year we are going to be show casing boxes of different styles. These can include rough boxes to very fine finish boxes. Using different styles of joints for the corners. With covers or without covers. Have also posted some ideas from Kurt on this project.

Our March meeting Marc Lamm will be presenting a new style of joinery. He calls curve joinery. He has written a book on this technique. You can look at his website for more information. <http://www.marclamm.com>

Bring in projects you are working on also.

Our next meeting will be at the Paramount, lower level, 7 pm, march 16, 2016

Please bring an item for show & tell, and bring a friend!

Charlie Gunderson  
President, the CMWA
