## Greetings Woodworkers

Well summer is here have had a few hot days. Grass is growing spend every week chasing the lawn mower around the yard. Still getting something done in the shop. Hope you all are enjoy the summer.

Not sure at this time if we are having a demo at our June meeting. If anyone has anything they would like to present go for it. Also bring things for show & tell those projects we bring are always interesting.

Our summer picnic will be at Devon Middendorf's shop again this year. This is a very interesting place to visit if you haven't attended one of these picnics try to make it this year. Devin has a CNC machine he is always willing to show what he is doing. And maybe will run a demo. His parents also operate a very nice farm. And are willing to share that with us also. It's well worth the trip. And a good meal. Which is potluck. We have a sign up sheet at the meeting in June.

Our next meeting will be at the Paramount, lower level, 7 pm, June 15th.

Please bring an item for show & tell, and bring a friend.

See you at the meeting

Charlie Gunderson
