Greetings Woodworkers

Well summer is almost over after the 4th of July it's all downhill. Hope everyone's summer is going fine. And you're getting a lot of woodworking project done.

I am real busy in the shop and the projects keep coming. And that's a good thing.

Our summer picnic will be at Devon Middendorf's shop again this year. This is a very interesting place to visit if you haven't attended one of these picnics try to make it this year. Devin has a CNC machine he is always willing to show what he is doing. And maybe will run a demo. His parents also operate a very nice farm. And are willing to share that with us also. It's well worth the trip. And a good meal. Which is potluck with members bringing salads and desserts. The club will provide burgers and brats. We will eat about 6:30.

Hope you can make to the picnic.

See you at the meeting
