November 2016

The CMWA is a group of men and women from around the St. Cloud, Minnesota area who share a common interest in the art and business of woodworking. We meet monthly and share information, techniques and topics of interest in the area of woodworking.

Greetings Woodworkers

Will the election is over. Now the candidates who couldn't find enough words to tell us how bad their opponents were are now trying to find words to tell us we need to make nice and get along with each other and how the people that lost are good people. We all need to do our best to make this country great and work together to that end.

We are planning for 2017 meetings. We need ideas and help from fellow woodworkers to present a topic at a meeting. We all have tried and tested ways of doing things with wood. We need to share those with our fellow woodworkers. I believe that is what sets us woodworkers apart from others. We are not afraid to share ideas with others to help them become better at what we all enjoy doing.

Here is a list of ideas so far:

Jan. Election of Officers

Feb. _____

March _____

April - Winsor Chair

May - Panel glue up Charlie Gunderson

June – Veneering

July – Picnic

August – Inlays

Sept _____

Oct _____

Nov – Safety

Dec – Christmas party

These are not set in stone we can change them. Anyone who knows someone that would be good for any of these ideas or has something else let me know.

Our Nov. meeting will at the Paramount in the basement at 7 pm Nov. 16th. Denny Myers will be doing a demo on turning. Table legs or other things.

Bring things for Show & Tell.

See at the meeting.
